To Mr. G. M. Smith, in recognition of his loyal service to the teachers and students of Waco High School, and in appreciation of his kind attention and understanding counsel, we, the Classes of 1942, dedicate this edition of the Daisy Chain.

Mid-Year Class Poem

A Challenge

*To let not an idle hour slip past,
To do our duty first and last,
To do what we ought and not be asked,
Can we do it?*

*To wisely think for our freedom's sake,
To follow true in democracy's wake,
To carefully weigh the right course to take,
Will we do it?*

*To keep our pledge when it is told,
To honor our word far above gold,
To uphold the trust in us others hold,
Can we do it?*

*To aid those who are not so strong,
To assist those who can't run so long,
To help lead the way in the world's vast throng,
Will we do it?*

*To set our goal where our minds will lead,
To strive and temptations to quit, unheed,
To preserve with a "stick-to-it" creed,
Can we do it?*

* * * * *

*To look at life with a steady gaze,
To separate wrong from the fair and right ways,
To try our best throughout all our days,
We can do it!*

June Class Poem

Evolution

"Except a corn of wheat fall into the ground and die, it abideth alone: but if it die, it bringeth forth much fruit."

Here are the tortuous wanderings of evolution.
Perhaps these are the heartbeats of humanity, a slumbering humanity—
This Finest Hour, this December Seventh
Perhaps when a nation is united by fear and hatred,
The day when it will be united by love is not far off.
Or do we go through this age-old, deadly-new destruction
Only to satisfy the hungry jaws of evolution?
The evolution of minds and emotions moves slowly,
And one that would fly ahead is a butterfly
Beating its wings against the ceiling.
Sometimes its wings are destroyed,
And then it is called a martyr.
This is the world-soul struggling for light.
It may be just another struggle.
The things we fight for may not materialize in our time;
Grave thoughts accompany these grave times.
Where do we stand on the scale of time?
How little of the earth's treasures have we tasted.
We have just nibbled at the fruits of civilization,
And found them so rich we believed we had eaten all.
What is this talk of a decadent America—
This uneasy feeling that we are senile and weak?
The smell of powder at Lexington still lingers in the air,
And each breeze brings a whiff of Bunker Hill and Valley Forge.
Go out and see the sky, behold the sun and the stars
That looked down on them but a few short yesteryears.
Who now believes himself mature?
We are young,
And the things about us are young,
And the land we live in is young.
But why do we fight
If America is young, and the world is young,
And all the combined strength of all the strong men on earth
Cannot lift the weight of evolution
That presses heavy on our shoulders?
Because evolution is a stairway which never ends
We may look but one step ahead and try but one, and gain but one.
Determination rises in our hearts to surmount all
That is petty and weak in our existence.
Let it be burned deep,
Etched with the grim, gay chatter of dying men
Who laugh because they cannot cry.
The shameful shall not always be accepted for fear of worse,
Or forgotten at sight of better.
Old Ironsides has rust on her.
To hope, we must again hate—
Hate all which is unworthy that we see now
When our eyes are unveiled by a brave desperation
Or a victorious exultance.
Of Valley Forge a nation was born—
Through resolution's fiery travail let it grow strong.
But what of the world about us?
The dark terror of the seas that surround us
Is oft known only by the pitiable cries
Of the drowned and drowning.
Hope, having wandered about the earth,
Becomes now an American citizen.
Some nations have produced an ersatz called greed.
If there is to be hope of a world made new
In strength, and wisdom, and goodness,
It must arise from the skill of the hands and
The invincibility of the hearts of free men.
Let us acquit ourselves well in the task before us.
The day when all peoples shall again
Walk in majesty and dignity upon the earth
Is not far off.
If it is for us to work and pray,
And in working and praying,
To die,
Let it be that this inevitable hour may come.
For this is the steady advance of
Evolution.

Poet of June Class.

Mid-Year Class History

THREE years before the 1942 enrollment for the Spring term, our class, assembled from all parts of the city, ready and eager for the three ensuing years at a school of advanced learning, enrolled at high school. Today those who remain of that enrollment have received certificates of graduation and have thus completed one of the most crucial periods of their lives. A few have dropped from our number, either because of lack of ambition, because of necessity, or on account of the noble desire to aid our country in its war efforts. These have given our class the distinction of being the first graduation class since the last world war that has sacrificed some of its number to fight for our country.

During the years our class progressed through high school, we, in entering into the spirit and comradeship of the institution, became more and more a part of it, as it became a part of us. Some of us had ambition and ran for office in the school government in order that we might lead and hold position in the community life. Others chose rather to remain in the ranks merely as followers and good citizens. Some took the lead in athletics, others in music, and still others in dramatics, public speaking, and many other activities. Some of us were versatile and not only excelled scholastically but also entered into extra-curricular activities and found our days filled with routine tasks and interesting diversions. Each of us had unique work to perform, each of us had individual ideas, each of us directed our interests in a different channel, but when it came to school spirit and loyalty, all of us were bound into one eager and cooperative group. From the first time that we sang the "Spirit of Waco High" as a member of the student body until the last time during our graduation exercises, an inexplicable feeling of warmth toward the school and our classmates enveloped our hearts. This feeling itself molded all the individuals of diverse ideas, tastes and dispositions into one unified group whose achievements as a body will long be remembered in the annals of Waco High School.

—JAY I. NAMAN,
Historian of Mid-Year Class.

June Class History

IT could well be said that the class graduating from Waco High in the spring of 1942, as a group, was very similar to most of those of preceding years. No particularly outstanding achievements marked the course of its members' education. They came from the three Junior High Schools a little bewildered in 1939. Quite normally they were not at all happy or interested in their surroundings during their first term in High School. Their ego, inflated as seniors in Junior High, received a rude shock from their humbler positions. Upon entering their second year, however, they began to become accustomed to the greater activity, the greater population, and the maze of teachers, traffic officers, seniors, and other animals in High School. During the following year they were being mentally prepared and becoming duly appreciative of the "exalted" position of a Senior of Waco High School.

Finally they became seniors. They were overwhelmed by the activities and expenses attached to their position. Their time was taken up with much study and social happenings and little sleep. They suddenly became leaders in their various clubs and organizations. They engaged in or cheered from the sidelines many events with the customary Waco High spirit. Remembering the achievements of the 1939 football team, much interest was aroused by a comparatively successful season. Following the pattern of preceding years the school was also successful in the other fields of athletic endeavor, particularly basketball. The music department gathered in new honors. The dramatic and debate departments attained their customary excellence.

As commencement exercises began to draw near, the prospective graduates began to take stock of their abilities and possibilities. They were confronted with the grave task of deciding what occupation to prepare for or what further training to undertake. The many fields of normal times open to them had been augmented by the war boom. There appeared to be the normal ratio of prospective doctors, mechanics, business men, plumbers, and bums. There were the average number who were destined to be successes in their chosen work and the average number who would be failures.

Yes, this was an average High School graduating class, indistinguishable from those of preceding years. Only one thing made it different: it was the first June class to graduate into a United States at war, for twenty-five years. This war entirely changed the aspect of the future of these young men and women. It cast a multitude of shadows over the bright visions before them. It brought to mind scenes of heart-break and suffering, of hunger, pestilence, war, and death; it brought the prospect of sacrifice for victory and the necessity of toil after peace returns. It forewarned of the work of rebuilding all that had been and would be destroyed in the wake of war's relentless path. Surveying their future responsibilities, the seniors of Waco High knew that to survive in this world of war would require all of their resourcefulness and courage. Only then did they realize what Waco High had meant to them, what it had done to prepare them for the turmoil before them; only then did they realize that the guidance and inspiration of their school days would be their greatest source of the courage, the perseverance that would be required of them. Only then did they realize that those three years had been the most fruitful of their lives in preparing them to serve their country and themselves honestly and with the true spirit.

Among the odds and ends found in the personal effects of the late Hon. PATRICK BEARD who passed away on May 11, was an enormous scrapbook containing newspaper clippings of stories concerning his high school classmates, their rises and falls during the latter half of the past century. Because of the interest of the graduates of the class of '42 of Waco High School in these clippings, the following stories have been printed through the courtesy of the BEARD estate.

The fury of GORMAN WEBB, Texas' greatest governor, was unleashed today at JEAN ROGERS because of her declaration that the penal system of Texas was critically below the par of that of the rest of the nation. The Football Season

WITH no strong nucleus of lettermen returning to bolster team strength, the Waco Tigers of 1941 were fashioned from a group of green, inexperienced boys who under the guiding hands of Coaches Tyson and Moore wound up with second place in the district and a season's average of .777.

After three weeks of hard work the team was beginning to shape up and gave promise of making quite a record for itself. It opened with Forest Avenue and though making many mistakes they looked exceptionally good at times and all Tiger supporters were impressed with the wonderful spirit of the boys. They had the old fight and hustle that promised to take them a long way in the district race, in which they had to play eight games. The Tigers played good football and won seven and lost two for the season. One of these losses was a heartbreaker and cannot be blamed on anybody or anything. The Tigers suffered a letdown and Ennis was hot and ready. The other loss was to Temple who won the district title and went to the state finals for the second year in a row.

It was a pleasure to old Tiger supporters to watch this group of boys who never gave up until the gun sounded, and time and again beautiful plays and teamwork brought the stands to their feet. Coach Tyson and Line Coach Moore did a wonderful job with the boys and to them goes a lot of the credit for the success of the 1941 team. A large group of lettermen will return next year, and promise to make double trouble for District 10 rivals.

Waco 12—Forest (Dallas) 6

In the first game of the 1941 season, the Waco Tigers met the Forest Avenue Lions of Dallas in the new Dal-Hi Stadium in Dallas.

Waco kicked to Forest to open the game and after two downs which failed Guenther kicked out of bounds on the Waco 31. McNeil in six downs carried it to Forest's 20. Johnson took it to the ten and from there Deaton put it over for the score. Try for extra point was blocked. The quarter ended with first downs seven to one in favor of the Tigers.

To start the second half, the Tigers with another spirited drive put the Lions in a deep hole and Guenther kicked out to his 36. Deaton and Johnson carried it to the ten where McNeil carried over for the second score. Point was missed and score was 12-0.

On a punt exchange Forest gained 43 yards because of a Tiger fumble and from here Guenther began to throw his passes right and left, finally finding Tuttle across the goal line. Goal was missed and the half ended 12-6.

Forest came back strong in the second half but were stopped by a strong defense on the 13 yard line. Waco almost lost the game because of numerous fumbles in the fourth quarter but after stopping a Lion drive on the 6 McNeil kicked out of the hole and the game was over.

Waco 53—Mexia 0

Waco met Mexia in Waco in their first district game. Waco kicked to Mexia to start game and when Mexia couldn't go the Tigers

took over. Holze, Deaton and McNeil picked up several yards in successive tries and then McNeil carried the remaining 32 yards for a touchdown. McNeil also kicked the extra point. Because of a few bad breaks the Tigers were unable to score any more this quarter.

Ball was resting on Mexia's 3 to open second quarter and in two downs McNeil again carried it over but missed the point. Mexia still couldn't go and after a punt return by Deaton and a nice run by Holze, McNeil again scored and Holze kicked the goal. Waco again got the ball on a pass interception and Holze and Easter carried to the 4 from where Holze carried it on over. Half ended with score 26-0.

To start second half, Holze ran about 15, McNeil passed to Deaton for 20 and Holze again carried it over. As soon as Tigers got the ball again Holze carried for 30 yards and McNeil took it over. Once again Holze and Chamrod carried it to the three and Easter took it over to make it 46 to 0. Mexia still couldn't go and Easter passed to Chamrod for 50 yards and the final touchdown to bring the score to 53 to 0.

Waco 13—Waxahachie 7

Waco received to open the game and immediately began a drive featuring Holze, McNeil and Deaton which was stopped by a fumble on the Indians' 20. The Tigers kept Waxy in a deep hole the first quarter but were never able to score. To start the second quarter the Tigers carried to the one foot line but were unable to put it over. McNeil brought the punt back to the 25 and passed to Howard on the ten. He then threw one to Ed Starr who made a beautiful catch to score. McNeil kicked the goal and the score was 7-0.

As soon as Waco got the ball again they marched to the 20 but were stopped for the fourth time at touchdown's door. The half ended with first downs 8 to 1 in favor of the Tigers who had played a wonderful game.

In the third quarter the Indians with the help of a pass interference ruling got to the three where Curry took it over and also kicked the goal and the game was tied up.

Right here the Tigers showed what they were made of. They took the ball on the kick-off and were never stopped until McNeil took it over to make it 13-7. It was a beautiful march which thrilled the hearts of Tiger supporters. Waxy came back fighting and were stopped on the Tiger 20. McNeil kicked out but Waco was offside and McNeil got back once more to punt. He faked and started around right end, broke away from four tacklers and ran 80 yards to the three where he fell from exhaustion. Waco couldn't score but the game was won and ended after a few plays.

Waco 38—Hillsboro 0

Eagle fumble on their 23 yard line. McNeil in three tries took it to the 11, and Johnson carried to the one from where McNeil took it over. He also kicked the goal.

Waco kicked to Hillsboro again and got it back to start the second quarter. A pass to Howard was good for 25 yards to the Eagle 15 and then McNeil found Starr across the goal for a touchdown. McNeil again kicked the goal. The Eagles began a drive but were stopped on the Tiger 16 by a pass interception by Armstrong.

Waco received to start the second half and with some nice running by Chamrod and McNeil and a pass to Starr the ball was carried to the Eagle five. From here McNeil took it over but missed the goal. As soon as Waco got the ball again, Deaton, Chamrod and Johnson carried it to the one from where Johnson rammed it over. Goal was missed and score was 26 to 0. Waco again got the ball on a pass interception and Deaton took charge to run and pass to the one from where he took it on over.

Neither team could go in the fourth quarter until in the late minutes when the Tigers took the ball to the Hillsboro 23 and Deaton passed to Stringer across the goal for Waco's final touchdown, making the score 38-0. Hillsboro ran a series of downs and the game was over.

Waco 14—Corsicana 7

Waco received the kickoff and immediately started a drive but were stopped when

McNeil circles right end against Cleburne

McNeil, back to pass, tripped over his own feet. Neither team could go until Corsicana recovered a fumble on the Waco 46. Collier passed for 17 and then passed again for 25 to Ellett and a touchdown. Cummins kicked the goal and Corsicana led 7 to 0.

The whole second quarter was spent in Waco's end of the field and only by a superb defense did they keep Corsicana from scoring again.

Waco received to start the second half and right here the Tigers started a drive that made the Waco stands come to their feet until the ball was in pay dirt. McNeil and Deaton carried it 30 yards to the 9 yard line. Corsicana shifted to an 8 man line but McNeil hit with such force that he carried it on over, kicked the goal and the score was tied.

Corsicana soon pushed Waco back to their 15. McNeil on a fake punt gained 30 but the drive was stopped short. Waco got the ball back on their 48 and McNeil opened up. The Tiger line cut down would-be tacklers with vicious blocks and McNeil carried 16, 8, 6, and on fourth down he went off tackle for the winning touchdown. McNeil kicked the goal and the score was 14 to 7.

In the fourth quarter Corsicana pushed Waco back to their four and then got the ball on a punt on the Waco 31. They took the ball to the six and right here the Waco line who had played a magnificent game was called on to halt a tying touchdown drive. In four downs the Corsicana Tigers lost one yard and the Waco line again demonstrated that it was one of the best in the state. Waco punted out and the game was over.

Waco 19—Bryan 6

This game was played in the rain and mud and for one quarter and a half neither team was able even to make a first down. It looked like a scoreless tie but midway through the second quarter things broke fast. Easter and Chamrod replaced Deaton and McNeil and these fresh boys started the touchdown drive. They made about ten yards in two tries and then Armstrong ran 13 to the Bryan 6. Holze put the ball over and McNeil went in and kicked the goal and score was 7 to 0. There were only a few seconds left but a poor kickoff gave the Bryan boys a chance. Jackson passed short to Haltom who ran the remaining 53 yards untouched for a sensational touchdown. Goal was missed and in a few seconds the first half was over.

Waco was in complete command the second half. After an exchange of punts, McNeil passed a short one to Holze who ran 20 yards. McNeil to Starr was good for 11 and the ball was on the 9 and in two plays McNeil put it over but missed the goal and the score was 13-6.

Neither team could go to start the fourth quarter, Waco being stopped by penalties twice. Bryan kicked short to their 38 and Tigers rammed the ball to the 18. McNeil fired to Starr who took it close to the goal line and raced on over to clinch the game. Waco stopped a Bryan drive on their 30 and carried it back to midfield where the game ended. The Tigers were undefeated and became the favorite to battle it out with Temple for the district title.

Waco 33—Cleburne 0

Waco kicked off to open the game and after Cleburne could not go the Tigers opened up. McNeil ran for 10, passed to Holze for 11 and then to Starr who ran over the goal for the touchdown. McNeil kicked the goal and score was 7 to 0.

Neither team could go until the second quarter when Waco got the ball at midfield. Easter faked to McNeil, handed it to Deaton who went 48 yards for the second touchdown. McNeil again kicked the goal and score was 14 to 0. The half ended with Waco on Cleburne's 10 and they were knocking at touchdown's door once more.

Waco drove Cleburne into a deep hole to start the second half and Cleburne's punt out was short. The Tigers drove to the 6 yard marker where McNeil on fourth down took it over. McNeil missed the goal.

The Tigers once again pushed the Yellow Jackets into a hole and they very foolishly passed. Norris took the ball right out of a Cleburne receiver's hands and ran 28 yards untouched for the score. McFerrin kicked the goal.

The Tiger second string went in and Cleburne began a drive. They got to the Waco 22 before Waco held and took the ball on downs. Johnson ran 10 and Easter tossed a pass to Deaton, who caught it at full speed and traveled 65 yards for the final score.

Waco 0—Ennis 6

Waco kicked off to the Ennis Lions and right then those Lions started a game that left thousands of Tiger supporters stunned. Ennis was cocked and ready and Waco suffered their first letdown of the

season. All Tigers were off form and for what they lacked the Ennis boys made up. They ran and passed the Tigers ragged. McNeil kept Waco in the game in the first quarter with his beautiful punts. At the start of the second quarter the Lions started driving and with the help of a fumble almost scored in the first half. They recovered Easter's fumble on the Waco 38 and Mock passed to Pool for 24 yards. This play put the ball on the 6 and Ennis tried one play after which the half ended.

In the third quarter the Tigers were once again kept in the game by the punting of McNeil but the Lion forward wall outcharged the tired Tigers and early in the quarter they scored. They took the ball on the Waco 27 on straight power and then a tricky lateral play carried to the Tiger 2. Crow then went around right end with dazzling speed for the score, but missed goal.

As soon as Ennis got the ball again they drove to the Tiger 25 and then punted out on the eight. The Tigers punted out of this hole and the game was over. It was one in which a group of inspired, hustling boys had played heads up ball to defeat the only team which had a chance to stop Temple from taking the district title once more. The Tigers still had a chance if they could defeat Temple and they immediately began preparation for the task.

Waco 0—Temple 13

This game was played in Temple on a very rainy day. Nevertheless hundreds of Waco fans trekked to Temple to see the Tigers try to stop the Wildcats' victory march. The field was a quagmire and in five minutes after the game started you could hardly tell one player from the other.

The Tigers opened the game with a fine spirit and immediately blocked two Wildcat punts, the last one being recovered by Armstrong. But Temple held and took the ball over. Late in the second quarter the Tigers recovered another punt deep in Wildcat territory but could not score and soon the half ended.

Early in the third quarter Temple got revenge and blocked a Tiger punt. The ball scooted to the Waco 15 where a Temple boy fell on it. Allen carried to the 4 and then carried it over but Hill missed the point. The Tigers came back fighting but just could not go on the offense. Temple carried the ball deep into Tiger territory late in the fourth quarter and then Hill, who had played a magnificent game all the way, ran 16 yards for another Temple score. He also ran for the extra point and Temple led 13-0. Hill was Temple's star and he seldom failed to gain even in the mud. This victory gave Temple the district title.

It was a good season for the Tigers who started with a group of green boys and toward the close of the season had a very fine football machine.

The Yell Leaders

FOR the year 1941-1942 R. L. Hamilton was elected captain of the cheer leaders after the runoff for the best cheer leader of Waco High. Other members of the squad were Alice Eubank, Rosemary Butler, Tommie Moorman, Bobby Shytles, Ross Fryer, and Jean DuBose. These leaders did not limit their talents to football games but greatly helped to stimulate spirit at the basketball games and all other student gatherings.

The Basketball Season

THE Waco Tiger basketball team of 1942 continued the great record made by the previous Waco teams. Under the new set-up for playoffs the Tigers won the Regional Championship for the third consecutive year and once again went to the state meet held at Austin. To start the season, the Tigers had two regulars and one squadman from the 1941 team but midway in the season Pete McNeil, all-state guard and co-captain of the team, dropped out of school and the team had to be rebuilt.

David DeWitt served as captain of the Tigers and did it exceptionally well, as he was playing his third year on the first string team. The starting team was DeWitt, Tucker, Simons, Payne, and Carpenter. Other boys on the squad were Van Wie, Beard, Bouldin, Rhea, Williams, Dickson, Frost, Bahme, and Trull. All these boys saw plenty of service and made a good record for themselves.

The Tigers played 23 games, won 16 and lost 7. They scored 774 points to the opponents' 567. The three leading scorers were Simons, 209; DeWitt, 170; and Carpenter, 124.

The Tigers opened the season against Evant on December 5 and were victorious by a score of 29-15. All squadmen saw service so that Coach Keithly could learn his material. Carpenter led the scoring with 10 points for Waco and Stanford got 6 for Evant.

The Tigers then went to Conroe to defend their title of champions of the Conroe Invitational Tournament which they had won in 1941. They met Addicks in the first game and were given a scare by that team but won 23-20. Simons led Waco with 9 and Birkett got 8 for Addicks.

In the next tournament game, Waco met John Reagan of Houston and ran over that team 47-30. Simons again led with 19 points while Headley got 13 for Reagan.

MR. R. B. KEITHLY, *Coach*

This victory put Waco in the semi-finals where they met Livingston. The Tigers were sadly off form and Livingston won the game 34-22 to eliminate Waco from the tournament. DeWitt led the Tigers with 9 but high point honors went to Mike Rowe of Livingston with 14. Livingston then went on to win the title.

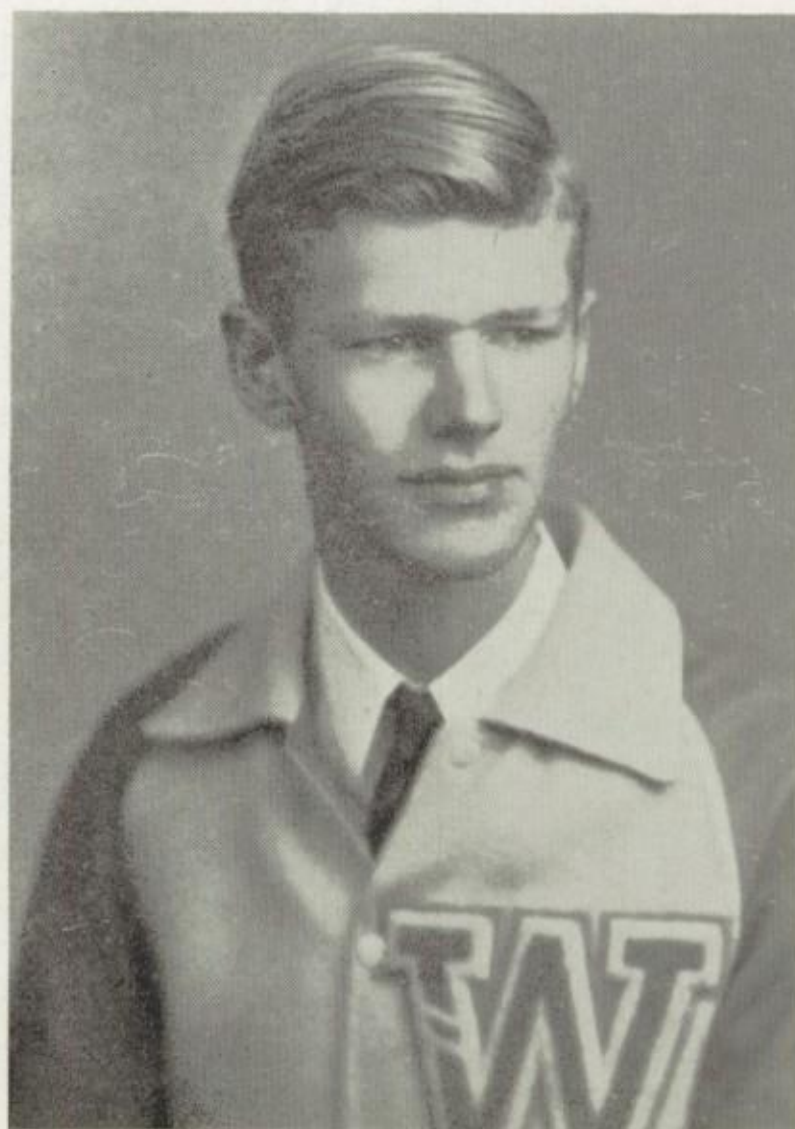

Waco was anxious to get at Livingston again and so on December 19 they played the Lions in their first two home appearances. The first game was a thriller with the Lions winning in the last 30 seconds when Mike Rowe sank a long one. The score was 33-32. DeWitt led the Tigers with 11 with Carpenter close behind with 10. Rowe was high for Livingston with 10 goals and two free tosses for 22 points.

Again that night the same teams met and Livingston won a very slow game 31-22. Both

teams were tired from the close morning game and neither team looked very good. DeWitt and Carpenter again led the Tigers with 7 and 6 points respectively while Martin and Shinn got 8 apiece for Livingston.

During the Christmas holidays, on December 29, Waco went to Dallas to participate in the Dallas Invitational Tournament. In the first game they met the Polytechnical High School of Fort Worth. Waco took the Cowtown boys into camp 38-23. The Tigers looked good in this game with Chester Simons leading the way with 18 points. Poly was noted for their offense but this offense was completely throttled by the Tigers.

Waco next met Highland Park High School of Dallas. The Tigers continued playing fine ball with brilliant teamwork which won the game

38-26. Carpenter was high for the night with 13 points and Henry led Highland Park with 7.

This put the Tigers in the semi-finals and they met Woodrow Wilson of Dallas. Woodrow featured a tall bunch of boys who controlled the backboard for the night and eliminated the Tigers by the score of 40-28. Haden led Woodrow with 23 points while Captain DeWitt tossed in 11 for the Tigers.

The Tigers then met Cleburne on the Waco court in a practice game. Two of Cleburne's first string men were out and they did not have much to show for the night. Led by Simons and Carpenter with 15 and 14 points, respectively, the Tigers beat the Yellow-jackets 41-28. Jones had 13 for Cleburne and Buckner had 11.

The Tigers then journeyed to Temple to enter their district campaign. Temple did not have much of a team because they had just finished football and the Tigers won with ease 36-10. For Waco, Van Wie had 12 points for high point honors and Stevens had 5 for Temple.

In their second district game, Waco played Mexia on January 21. Waco won 46-10, with the entire squad seeing service. DeWitt had 9 followed closely by Payne with 8 to lead the Tigers, while Compton had 6 for Mexia.

On January 23, the Tigers played Bryan High in the toughest district game. Bryan

put up a good fight but big Chet Simons with 16 points was a little too much for the Broncos. The final score was 40-23 with Franks and Closs tying for the high point for Bryan with 8 apiece.

Waco went to Cleburne to return their game with them on January 28. Cleburne was at full strength and after the Tigers had a lead of 14 to 2 in the first quarter, Cleburne began fast breaking to win the game 35-33. Jones had 11 and Flowers 10 for Cleburne while Simons had 12 and DeWitt 11 for the Tigers.

The Tigers then journeyed to Tehuacana to play Mexia on January 30. The Tigers were led to a 42-19 victory by Jack Tucker with all players coming in for their share of point making. Compton had 7 to lead his team.

On February 4, Waco went to Bryan to play the Broncos for the championship of the southern half of district 10. Waco showed brilliant teamwork to win the championship by a score of 35-21. DeWitt had five field goals and two free tosses for 12 points and high point honors while Franks had 7 to lead his team.

Waco won the southern half of district 10 and Cleburne the northern half so on February 13 they met for the first game of a two out of three series on the Waco court. Captain DeWitt led the Tigers to a close victory of 24-23 with 11 points. Cleburne got away to an early lead but toward the end of the game it was nip and tuck to the last two points. Flowers led Cleburne with 7 points.

On February 17 the same teams met in Cleburne for the second game. Cleburne played an excellent game and beat the Tigers 31-22 to even the series. Buckner led the Yellowjackets with 10 points and Tucker and Carpenter had 6 apiece for the Tigers.

The third and deciding game was played on the neutral Baylor court on February 20. The Tigers played an inspired game and were not to be denied victory. They showed hustle from the opening whistle to the closing one. The score was 36-20 and Chet Simons, playing a marvelous game, was high point man with 10 points, but all boys contributed their share of points. Flowers had 7 for Cleburne and Burton played a good floor game and managed to gather 6 points.

This victory gave Waco the district title and they next played Stephenville on February 24 for the bi-district title. The first game was played on the Stephenville court and, led by Simons and DeWitt with 13 points each, the Tigers won the game 29-21. This game was played without Billy Carpenter, ace

guard, who took the mumps after the Cleburne game and was lost for the remainder of the season. Hicks, tall center, led Stephenville with 8 points.

The next game was played two days later on the Waco court and Waco won the bi-district title by defeating the Stephenville team 39-29. Chester Simons played a brilliant game and gathered 20 points for high point honors and Hicks again led his team with 8.

This put the Tigers in the state meet for the third consecutive year. Billy Carpenter was still out with the mumps and his place was taken by Garland Rhea who had played two excellent floor games against Stephenville. Waco drew Jeff Davis of Houston in the first round and met that team on March 5. Waco got away to an early lead which they maintained all the first half and led at the intermission 17-15. Jeff Davis came back strong but it was not until the last few minutes that they were able to pull ahead. Rhea and Payne went out on personal fouls midway in the third quarter and with them went much of Waco's ball handling and pep. The score was 31-

26 and in the following tournament play Jeff Davis was crowned champion of Texas Inter-scholastic Basketball. Martin led Jeff Davis in the Waco game with 12 points and for Waco Simons and Tucker had 9 apiece.

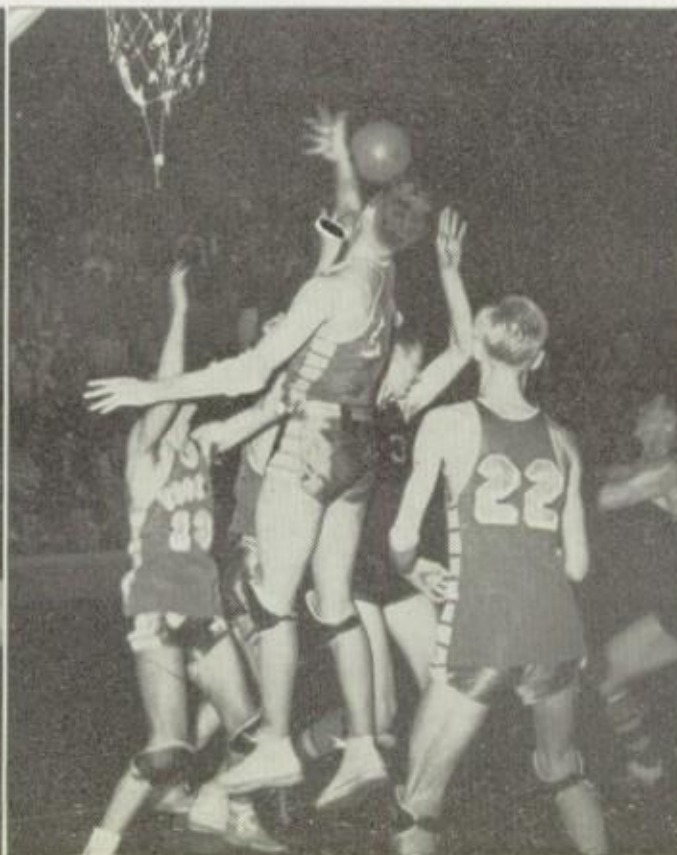

This completed the regular season for the Tigers but as a feature of the Defense Rally held in the gym an intra-squad game was played between the members of next year's team and those that will graduate. DeWitt, Beard, and Van Wie were the only members on the team who will graduate and they teamed up with the Kitten team and won this game by a score of 30-25. DeWitt flashed his old form to gather in 14 points while Dickson got 9 for the team of returning players.

Of the squad of 15 of this year's team only Beard, Van Wie, and Dewitt will graduate. Returning next year are Simons, Tucker, Dickson, Payne, Carpenter, Rhea, Frost, Bouldin, Bahme, Trull, and Williams. These boys have great possibilities and are going to be shooting at the state meet for the fourth year in a row.

THE track team this year was late in getting started and not many boys were out. But the few boys that did work, worked hard and will make a good showing in the district meet.

The squad members and their events are as follows: Boyd Hume, 220 and 440 dashes; Jerry Adams, 440 dash; Leonard Carter, 440 dash and 220 low hurdle; Tony Sorensen, 220 dash; Hubert Keller, broad jump and high jump; Louis Grevelle, mile run; L. Boys' Tennis

Coach—MR. LOGAN SMITH

THE Boys' Tennis Team started the season with no returning lettermen. Logan Smith, who took over Mr. Schwetman's position as coach, is trying to shape a team for honors next year as most of his players will return for another season.

The team does not plan to play any matches except intra-squad games which will help to improve the boys strokes, teamwork, and develop ability. The boys plan to enter matches, district meets and any other games that might be arranged when they are fully prepared.

The boys who are graduating are Joe Moss, Adrian Vaughan, Jack Kultgen, and Landon Layne.

Girls' Tennis

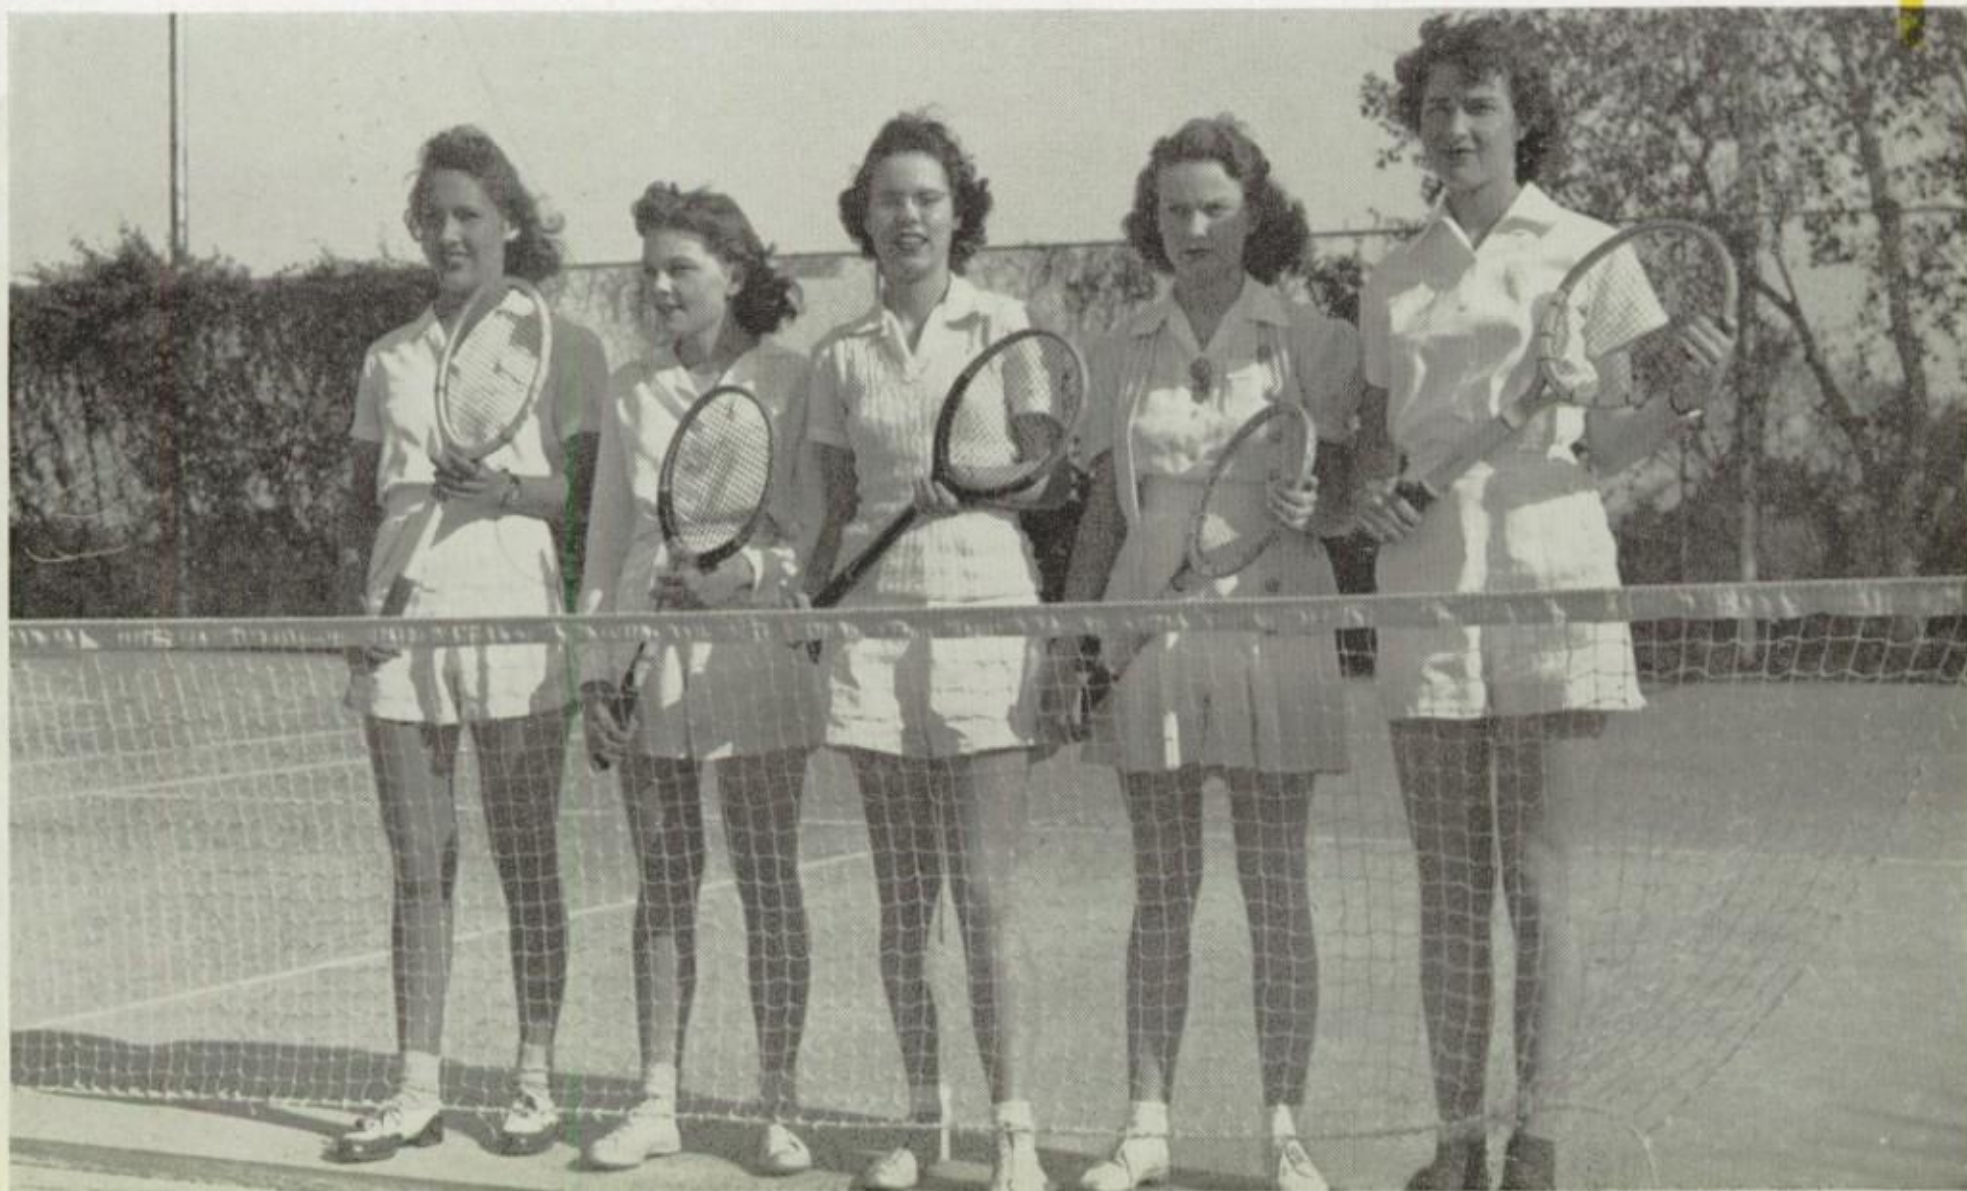

Coach—MISS MARY CLAYTON

THE Girls' Tennis Team of 1942 was composed of Beverly Merritt, Ruth Ann Ruby, Beverly Caldwell, Jane Dunson, and Melba Dennis.

The three top ranking players will enter the district tournament. Beverly Merritt, Ruth Ann Ruby and Beverly Caldwell are Waco High's entries and these girls have been practicing consistently to be ready for this meet.

These three girls will graduate this spring and a new team will have to be built next year. Girl's tennis will be more emphasized next year because of the program of physical education adopted by Waco High.

Golf

Coach—MR. W. F. FRITZ

GOLF is not included in the Texas Interscholastic League athletic competitions but each year a tournament is held to decide the state high school golf champion.

This year Waco High will send three entries to this tournament. They are Tommy Green, Don Barfield, and Ernest Weaver. These boys are veterans on the team and will give all competitors a rough battle.

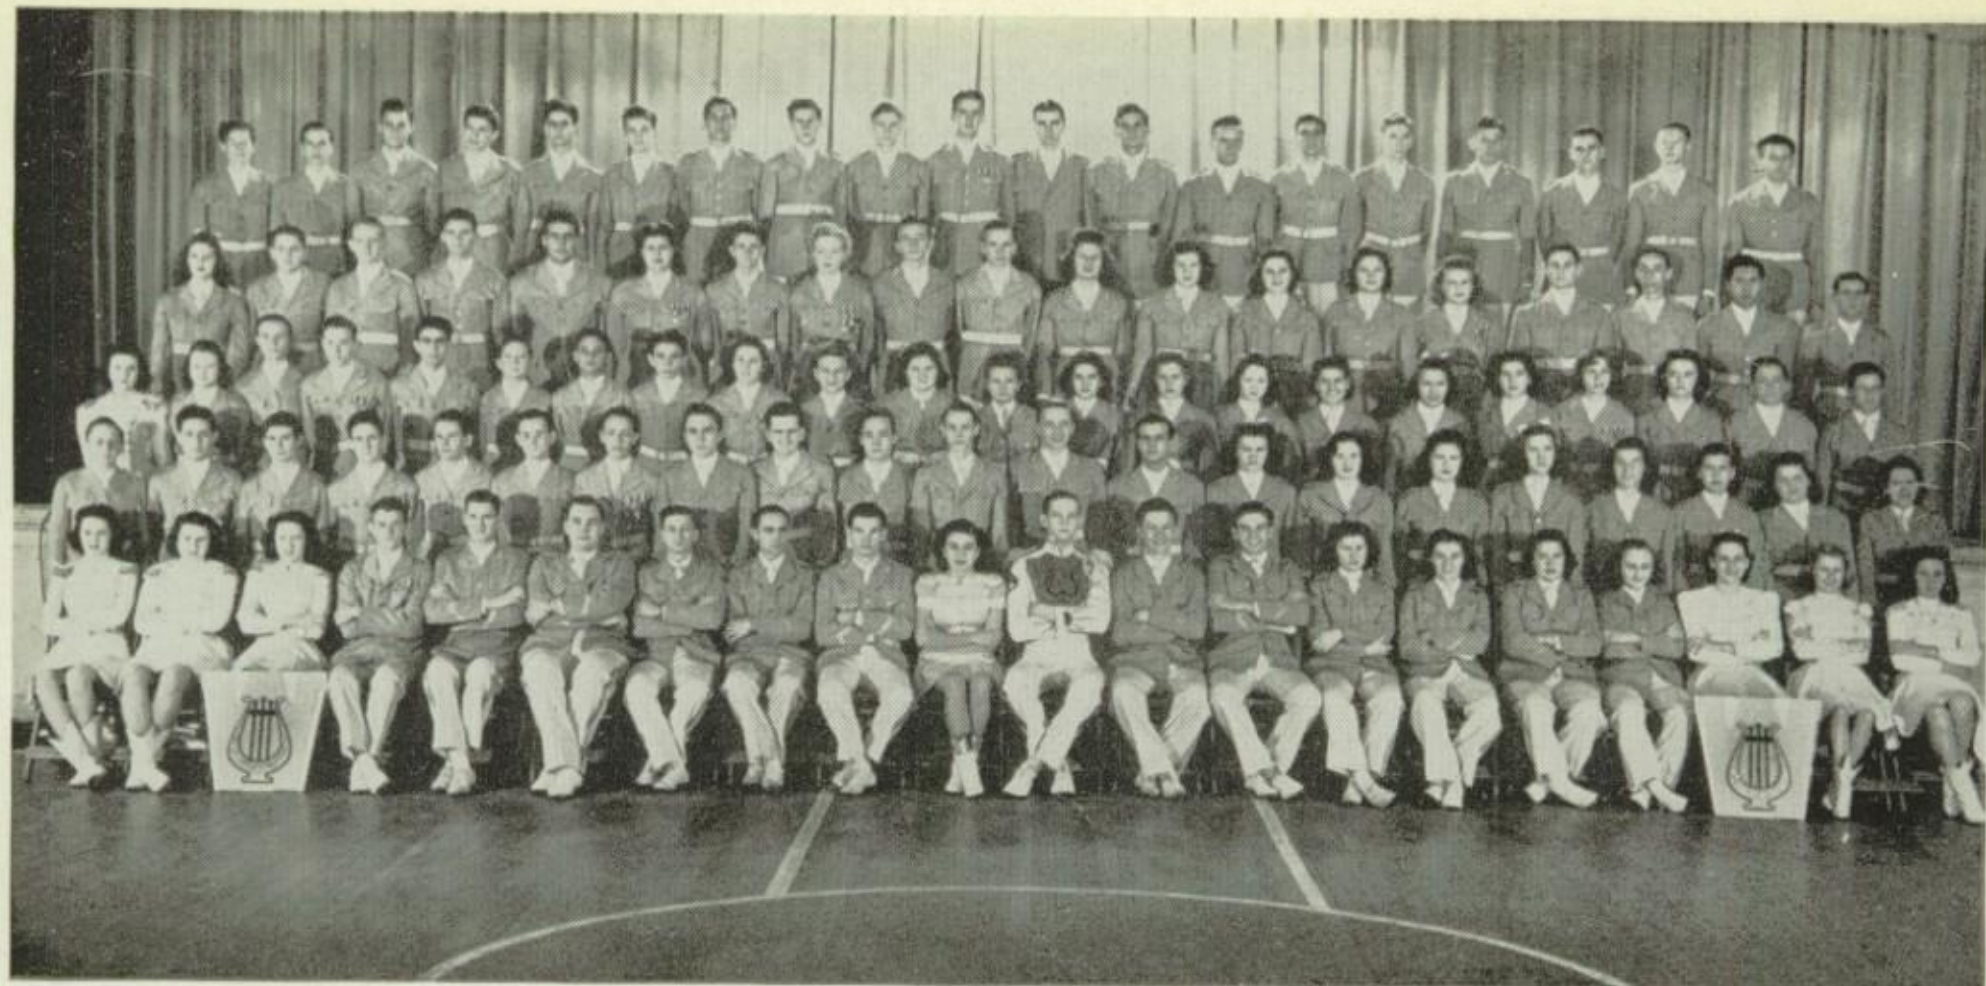

The golf team this year has tried to create an interest in the game in Waco High and they plan to stage a tournament which will decide the champion of the school. They meet twice a week and the entire time is devoted to practicing putting, driving, and basic strokes.

Rostra Literary Society

1914-1942

THE Rostra began its year by initiating a brilliant array of newcomers. As time wore on, this auspicious beginning was followed by a brilliant series of victories over the club's ancient rival, the Forum. In the essay contest Marvin Wise won first place and Edward Shaffer second. In extemporaneous speaking James Leo Garrett and Sidney Lee Harrell placed first and second respectively above the Forum's speakers. In declamation Marvin Wise carried off another first place award. Finally, in the debate contest, Shaffer and Wise teamed to make a clean sweep of the honors. The judges gave them the decision, naming Shaffer as best speaker with Wise as runner-up. For the year the Rostra had a total of 82 points to the Forum's 18. Consequently the Forum presented cigars to the Rostra at the traditional banquet and ignominiously munched the carrots provided by the Rostra.

During the year members of the Rostra claimed a major share of student honors. Nine senior members were elected to the National Honor Society. For the fall term James Leo Garrett was president of that organization, and Marvin Wise succeeded him during the spring session. In the school government, during the fall, all five commissioners were from the Rostra—James Leo Garrett, Marvin Wise, Jack Kultgen, and Dudley Rouse being regular members and Jerry Parrick an honorary member. Parrick served as mayor for the fall, and Sidney Lee Harrell was city manager dur-

ing part of the term. Wise, Kultgen, and Rouse continued as spring term commissioners, Wise being elected mayor. During the fall Jack Herring and Jay I. Naman served as associate justices of the school court. Herring was elected editor of the DAISY CHAIN. Pat Beard became editor of the WACOAN and was elected president of the Student Council. Bill Mosely was president of the Senior Hi-Y. James Leo Garrett was valedictorian of the Mid-Year Class. For the spring graduating class Dudley Rouse was president, Marvin Wise treasurer, Jack Kultgen historian, Edward Shaffer poet, and Pat Beard prophet. Eight senior members were elected to places in *Who's Who in Texas High Schools*. Last year James Leo Garrett and Edward Shaffer represented the school in interscholastic debating; this year Shaffer teamed with Marvin Wise as the school's debaters.

Following plans discussed last spring, the club initiated an intra-club contest in radio speaking. It continued its custom of furnishing ushers for the graduation exercises. On the social side, the year's highlight was a dance held at the Fish Pond in November. The club looks backward to the achievements of the year with considerable pride—pride tinged with regret at the thought of losing many fine senior members who have contributed immensely to its worth and success.

Forum Debating Club

THE members of the Forum Debating Club reluctantly accepted the resignation of Mr. Robert Weaver who had been our beloved critic for more than twenty years. He put every bit of his time and effort into directing the Forum. He trained many useful speakers and brought many honors to our club. We have beat the Rostra about nineteen out of twenty-two debates. Besides speech activities we produced more useful leaders than any organization in Waco High. Such a splendid achievement is due to the supreme effort of our beloved critic, Mr. Weaver. Therefore, we the members of the Forum Debating Club take this opportunity to express our deepest appreciation to Mr. Weaver for his splendid service. We wish him all happiness for his future.

BUSINESS STAFF MAKES MOVE (SLOWLY)

MOHUNDRO, BUSINESS STAFF SPONSOR, AIDS ASSISTANT BUSINESS MANAGER COLE IN DISPOSING OF ACCUMULATED COCA-COLA BOTTLES FROM BUSINESS OFFICE

Traffic cops today arrested Paul Cole, assistant business manager of the Daisy Chain for purposefully dropping empty coke bottles out of the business office onto the editor's head which was emerging from the editorial office immediately below.

E. E. Mohundro, faculty sponsor, had previously chartered a Coca-Cola truck to take care of the bottles but was unable to find any whole ones, that is, any which had not been cracked to pieces on the cement below.

This was reported by the officers as only one of the many misdemeanors of that staff. Witnesses testified that the members of the business staff often got into heated arguments, tore off each other's necklaces and threw the beads at each other and at passers-by.

Assistant Manager Cole is chief justice of the school court and is reported to have pardoned all offenders.

DAISY CHAIN MAY BE PARTIALLY PAID FOR AFTER ALL FOR BUSINESS MANAGER MOSS TODAY TOOK FEET FROM DESK, OPENED HIS EYES, AND WROTE OUT THE FIRST ADVERTISING CONTRACT

Perhaps the reader would like for the reporter to tell a little about the work that the Business Staff has done on the 1942 Daisy Chain but there's really very little to tell along that line.

Advertising Manager Mosley made the statement, "Ho-hum," and promptly went back to sleep.

"The only thing they can really do well," stated Miss Ruth Jean Hamilton, faculty sponsor of the editorial staff, "is to short change customers." She said further, "I didn't mind it so much when they conked the editor with a coke bottle, nor did I gripe when they bored a hole in the floor and swept their waste paper through it, but when they hooked me out of 2c, I felt it my duty to call in the authorities."

Assistant advertising managers Eubank and Lane were absent during the interview.

Said Business Manager Moss of his staff: æ&(|!* æ& CENSORED. &æ(|!* &æ

DAISY CHAIN FINDS NEW MEMBER OF STAFF TAKING PICTURES OF SOMETHING IN THE FRONT HALL BETWEEN PERIODS; NOW RESIDING AT CITY JAIL

Shortly after the Daisy Chain had been sent to press, persons notified the editorial staff of the Daisy Chain that they were being misrepresented.

Official photographer, Claude Hinds, stated that the person causing the disturbance had not been hired by him and was probably an intruder.

When the defendant was questioned, he was found to be Joseph Carl McElhannon, independent photographer, who was hoping to get some good pictures of something or other; questioners could not determine what.

He was reported to have been focusing his camera at an unknown object in the front hall, suspected of being a teacher or other inanimate object.

Officials reported that it took eight officers of the law and twenty-one Cherrios to induce the culprit to cease snapping pictures.

When the film was developed, the subject of the pictures was still a mystery because the films were solid black. McElhannon says that those are the usual results of his photography!

THE LAZY CHAIN ANNOUNCES NEW OFFICERS OF "THE ASSOCIATION OF THE MENTALLY SUB-PAR"

HARRY PEYTON *President*
EDWARD SHAFFER *Vice-President*
BEVERLY CALDWELL *Secretary*

MARVIN WISE *Treasurer*
JAMES LEO GARRETT *Sergeant-at-Arms*

Purpose of the Club—Because some people (such as ourselves) are so ignorant and cannot pass their courses, this club was organized to give them a chance to have friendly and professional relations among other people of their kind.

(It was essential that the treasurer be so dumb that he would not have sense enough to skip out with the funds. Also, the reason no parliamentarian was elected was that no one knew what he had to do nor how to do it).

CANDIDATES FOR MEMBERSHIP

HELEN FULLER, because she flunked all four of her subjects last term.

RAMSEY CLINTON, because he doesn't rate with the girls and has a hard time getting a date.

LEONA FARSTEIN, because she makes such low grades.

DOROTHY MEWSHAW, and IRWIN MORRIS, because they are so loud and boisterous that nobody likes them.

MARGARET WRAY, because she is very homely and unpopular, especially with the boys.

MISS ZOU STEELE DANIEL was again chosen sponsor of this organization because she allows so much disorder in class, gives no tests, requires no book reports or memory work, and never requires any studying or homework.

THE LLOYD STUDIO wishes to extend its sincere thanks and good wishes to the Daisy Chain Staff of 1942 whose willing co-operation has enabled us to accomplish our goal—namely, to have this year's annual to include the best in the way of art and science of photography. With the able assistance of the staff and with the unending support of its members, this book was put out. It is with something like emotion that one feels in shaking the hand of a dear and helpful friend, that we acknowledge the spirit in which they so faithfully worked with us to accomplish our common purpose. And so it is good-bye to the staff of '42—but they will long live in our memory as a true helper that could be depended upon.

Frank Yowell wiped his brow. The question read: "Define a bolt and a nut and explain the difference, if any." Finally he wrote:

"A bolt is a thing like a stick of hard metal such as iron with a square bunch on one end and a lot of scratching wound around the other end. A nut is similar to a little chunk of iron sawed off short with wrinkles around the inside of the hole."
